

# Race To Cairo

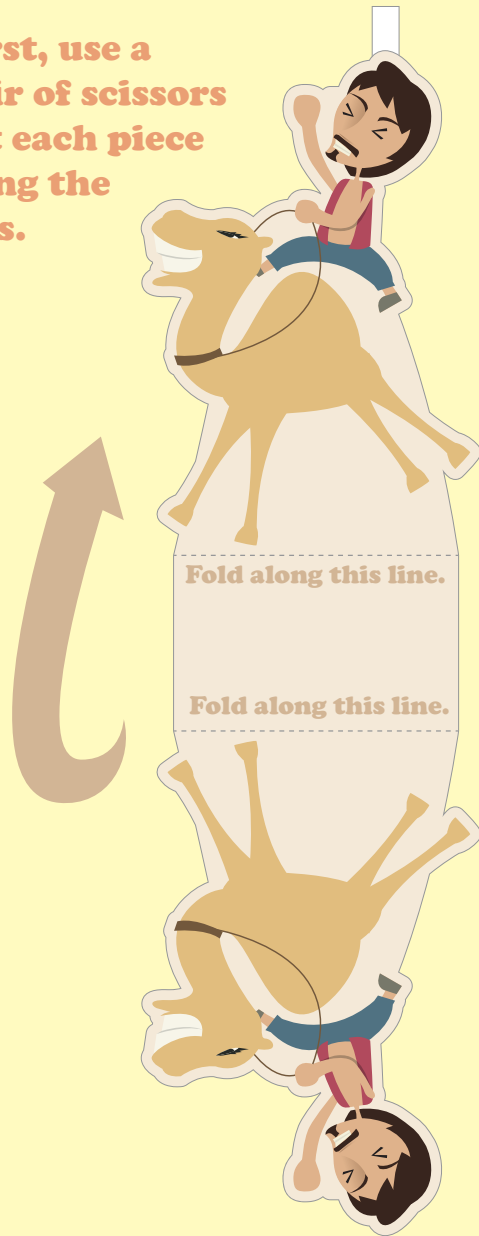

**'Race To Cairo' - is a board game inspired by Swipea's activity storybook 'The Dream' for iOS devices.**

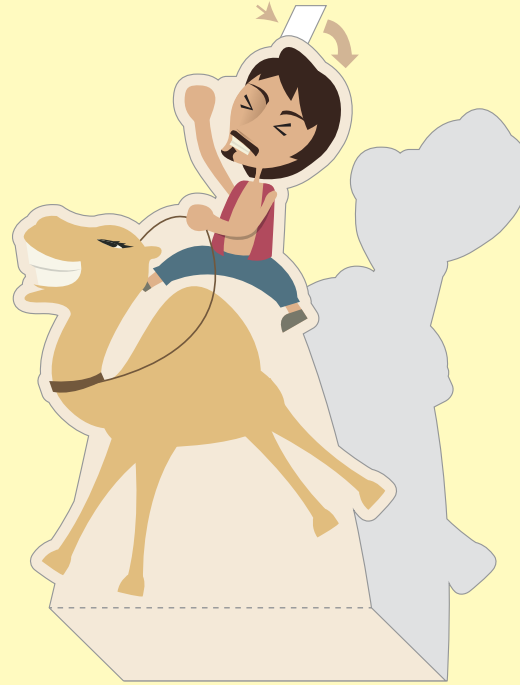

**If you have not downloaded this free children educational app, visit [www.swipea.com](http://www.swipea.com) now.**

# How to set up the game

**1** First, use a pair of scissors and cut each piece out along the outlines.

**2** Then glue the tab behind the opposite side.

**3** You're done. Repeat for the other pieces.

# How to set up the game

**To make the board, first cut out items labelled Side A, B, C and D along the dotted lines.**

**To join the board, glue the tabs according to the diagram. Glue tabs always go underneath its designated counterpart.**
